COMMISSION ACTION REQUESTED ON: August 2nd

PURPOSE:

To request that the Board of Commissioners:

- a. To consider waiving the second reading and adopting the Amendments to the Official Code of Camden County, Georgia, Chapter 14 Animals, Article I, Section 2, with the addition of Section 2.1 - Jurisdiction of Offenses and Section 2.2 - Contract for enforcement with municipalities within the county.

HISTORY:

1. Beginning in the 1990's, the county has provided Animal Control enforcement in the cities.
2. State law requires that cities adopt the county ordinance to allow for enforcement of the ordinance within the city limits.
3. Further requirements are that the county ordinance specifically reference the persons authorized to act and jurisdiction for the offenses to be in the Magistrate Court.

2. St. Marys (2003) and Kingsland (2015) appear to be in compliance.
3. Woodbine is currently looking for their ordinance from the 1990's addressing this issue.
4. A second Public Hearing will be held on August 2nd prior to the consideration of adoption of said amendments.

OPTIONS:

1. Motion to waive the second reading and adopting the Amendments to the Official Code of Camden County, Georgia, Chapter 14 Animals, Article I, Section 2, with the addition of Section
