Kings Bay  
Home to the Tridents

THE CAMDEN COMMUNITY PROUDLY WELCOMES YOU TO THE TRIDENTS. Kings Bay has an annual payroll of \$1.2 billion and maintains about 10,000 jobs.

These Tridents are the Trident Training Facility, the Magic Weapons Facility, the Ship 10, Naval Submarine Squadron 16 and the Trident Training Facility.

The Naval installation of 10,000 acres is located in Kingsland, St. Marys and Woodbine. It is outfitted with a state-of-the-art utility control center, its own

HOW

# The Camden Partnership's KINGS BAY CAMDEN COMMUNITY FORUM

## What Is the Mission? RADM Barry Bruner and Steve Howard, County Administrator

### Tour of Trident Training Facility

### How Contracting Works CDR Jeanine Avant, Public Works Officer

### Dave Reilly - VT Group

# HONORING OUR ELECTED OFFICIALS RECEPTION

# Going After

## Navy Expeditionary Combat Command (NECC)

- The Riverine Force, combat arms component of NECC
- “Small, Agile, Necessary: Riverine expeditionary capability ‘hugely important to the Navy’.  
SEAPOWER – June 2009

## Stand Up an SSN Squadron in Kings Bay

- 7 more Virginia Class Submarines to be built in 3 years
- Navy Exploring the Option of a modified Hull similar to the SSGN

## Replacement Platforms for SSBN's

- First R & D Funding began 2010
- Advance Procurement of First SSBN (X) 2015
- Estimated date UK begins 2017
- Latest Start Date for the Lead SSBN (X) 2019
- Boats start retiring in 2027
- Lobby for sufficient funds for the replacement platform
- Replacement Platform must already be seaworthy by that time

## Special Operations Forces (SOF) Future Options

- New and unique opportunities now abound in Kings Bay with the recent home port assignments of the guided missile submarines USS FLORIDA (SSGN 728) and USS GEORGIA (SSGN 729).
- These assignments create an operational relationship between Kings Bay and the Special Operations (SOF) community.

## Joint Commands – Look for hosting Army and Air Force Commands

- Expand our Options - Single Mission Concept by investigating missions that may be transferred from other services

## Expand the footprint of military contractors already located in Camden County

**WHY NOT GEORGIA!** Working with the Governors Point man for GA's military bases

## Unmanned Systems

- With vast percentage of the DOD budget dedicated to unmanned systems, we will lobby for Research and Development Companies to come to Camden County

# RIGOROUS CAMPAIGN TO HAVE CONGRESS RESTORE THE COAST GUARD'S BUDGET SOMEONE HAS TO DO IT!

- When the country needs federal agencies the most – the Coast Guard is the one we call.
- After the record we have had with the responsiveness of our Coast Guard why aren't we increasing rather than decreasing their budget?
- Do we remember what happened on 9/11? The Coast Guard evacuated half a million people that day. This was a bigger evacuation than Dunkirk in WWII with 350,000 evacuees. And they did it well.
- The Coast Guard makes it happen.
- Look at the agencies involved with Katrina when the Coast Guard came in and saved 33,000 lives.
- This is equal to the number of lives usually saved in 6 years and it was accomplished in about 6 days.
- While Camden County is also focused on the loss of our MSST and the specifically designed and essential security they represent we are also in the midst of a great national responsibility to support the military force that we call on in our darkest hours to insure that they have the ships and capabilities they need for our future.

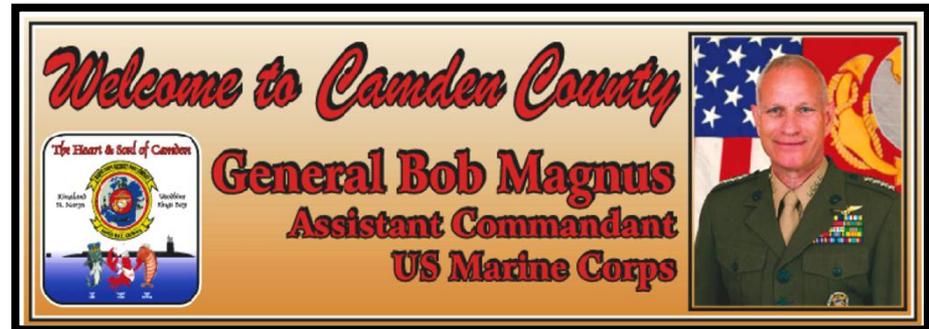

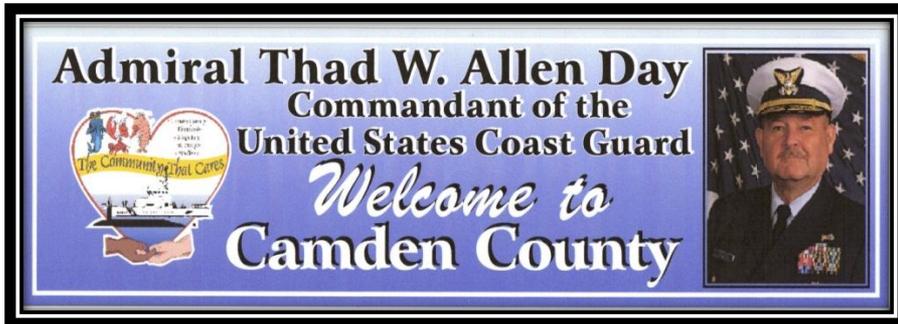

## What do we as a community do about this?

- Everything we can
- The Camden Partnership taking the lead
- Partnered with all local governments, JDA, Chamber of Commerce and Navy League of the United States

**Our Points:    Equalization    Recapitalization    Jobs Bills**

# *Our Community ... the Best Defense for our Base*

The Camden Partnership is a 501(c)(4) non-profit organization which promotes community support for [Naval Submarine Base Kings Bay](#) (NSBKB) and the military missions housed in Camden county. The Partnership is funded by contributions from public and private sector Partners which are committed to the continued viability and growth of NSBKB as a key contributor to our nation's strategic defense posture and a driver of quality growth in Camden County, Georgia.

We firmly believe that our commitment to enhancing the military value of NSBKB and improving the quality of life for the people who live and work there will open the door to new missions and continued quality growth in Camden County.

## **Our Mission**

To advocate, support and strengthen military missions, and improve the quality of life for our military members by enhancing military and community partnerships in Camden County.

## **The Vision**

To be the primary resource and preferred partner in military/community issues.
