**FOR IMMEDIATE RELEASE**

## **Amber Hardman Recognized as Camden County “Employee of the 3<sup>rd</sup> Quarter”**

**WOODBINE, GEORGIA – April 19, 2016** – Camden County Government’s Employee Recognition Committee is pleased to announce Amber Hardman of the Camden County Tax Assessor’s office as our Employee of the 3<sup>rd</sup> Quarter for fiscal year 2016. Amber will be formally recognized with this award at the Board of Commissioners meeting scheduled for Tuesday, May 3, 2016.

Amber is constantly going above and beyond her daily duties. Whether it’s meeting with a citizen to explain their tax assessment notice or taking another look at property values, you can be sure she will be honest and do her best to help any citizen. On one particular occasion in February while conducting property reviews north of Woodbine, Amber noticed an elderly lady walking alone. She was concerned so she stopped to ask if the woman needed assistance. The woman told Amber that she was walking to the retirement center. Amber asked her where she lived, but the woman could only remember that she was originally from Alabama. Amber knew something was not right, as it was miles back to Woodbine and the elderly lady seemed unable to determine where she was living.

After she refused assistance, Amber contacted the Camden County Sheriff’s Office and was informed to stay with the lady until a deputy arrived. The lady continued walking down the dirt road. At one point, the elderly lady walked too close to the edge of the road and slipped, falling into the ditch. Amber immediately stopped her vehicle to assist the woman and offered her water. Soon after, Amber soon located the lady’s home where she lived with her daughter, who had been frantically looking for her mother.
