FOR IMMEDIATE RELEASE

Public Notice: State Voter Roll Maintenance Changes May Impact Camden County Voters

WOODBINE, Ga. – November 19, 2019 – The Camden County Board of Elections & Registration (BoER) is working with the Office of the Georgia Secretary of State while they are conducting their routine and legally required maintenance to the state voter roll. Camden County has 5,919 inactive voters who may be cancelled if appropriate action by the voter is not taken before December 7, 2019.

Having an accurate voter list is important in order to ensure that on Election Day, there are suitable polling facilities, an appropriate number of staff and poll workers at each location, and the BoER is able to provide the voter with a timely experience from check-in to casting their ballot.

Per Georgia code (O.C.G.A. § 21-2-234), a voter becomes inactive when one of these conditions is met:

- A voter files a change of address request with the USPS indicating a move out of state or county.
- Official election mail is returned undeliverable.
- A person has no contact with elections officials for 5 years, including not voting in any election, not signing any petition, not renewing a driver's license, and not updating their voter registration.

Notices to inactive voters were mailed to the voter's last known address on November 6, 2019. Voters will have 30 days, until **December 6, 2019**, to respond before cancellation.
