February 2021

FVIGroup Monthly Activities Report

- Reconnected with Linda Strine to schedule briefing by Col Rose and team re: potential interest by DoD anchor tenant in use of Spaceport.
- Continued participation in CSF meetings on FAA actions related to spaceports.
 - Briefed group on relevant section from GAO report on spaceports as it relates to FAA AST and space infrastructure grant authorities. This prompted strategy by CSF to draft letter to the Congress outlining issues per the report.
- Strategized with Steve regarding dry run briefing with Linda Strine re: potential interest by DoD in use of the Camden.
- Drafted background memo for use to schedule briefing with Col Rose and team.
- Circled back to Linda Strine to schedule briefing for Col Rose after Wallops Launch.
- Continued to monitor FAA AST activities related to pending Camden site license.
- Participated in briefing with senior Senate Appropriations staffers for NASA, FAA, Commerce to ensure that potential infrastructure legislation includes funding for Spaceport improvement grants as part of Biden's Build Back Better.
- Continued to facilitate meetings with the Hines Foundation and Georgia partnerships to include beta project on Camden County – with long term aim of establishing a facility for using space technology to motivate underserved students.
- Ongoing strategy sessions with Steve Howard and team re: proceeding to site license, as well as pursuing Federal policy/regulatory support for spaceports and BD opportunities.
