Camden County is awarded Emergency Management Performance Grant

Woodbine, Ga. (November 3, 2010) – Camden County Government has been awarded \$25,000 through the 2010 Emergency Management Performance Grant (EMPG) Response and Recovery grant program. This award will be coordinated through Camden County's Emergency Management Agency (EMA). Together with the annual EMPG Agreement, funds will continue to support our efforts to mitigate the potential for harm to the citizens of Georgia and aid in the timely provision of emergency services to those impacted by natural disasters, or acts of terrorism. "This is great news of this award! I appreciate the outstanding job County team members have done to achieve this grant as we continue to pursue innovative revenue sources to support county services," said Steve L.
