### Camden County Receives Excellent Audit Report

**Woodbine, Ga. (January 23, 2013)** - A presentation was made by the County's independent Auditor Clifton, Lipford, Hardison & Parker, LLC on January 22, 2013 at the Board of Commissioners Meeting. They determined that the County has achieved all compliance requirements as established by law and auditing standards generally accepted in the United States of America. The County has also been awarded the Certificate of Achievement for Excellence in Financial Reporting from the Government Finance Officers Association of the United States. This prestigious award recognizes local governments that go beyond the minimum requirements of generally accepted accounting principles that prepare comprehensive annual financial reports that evidence the spirit of transparency and full disclosure. This is the highest form of recognition for a government organization to receive concerning its financials.

"I commend the work of the Finance Department and I am proud of the achievement," said Steve Howard, County Administrator.
