FOR IMMEDIATE RELEASE

EDT, December 15, 2014

(This is the fourth in a series of releases aimed at highlighting some of the important but not well known county provided services. This is in conjunction with the **You Are Why We're Here** communication campaign.)

Curbside Collection

Woodbine, Ga. (December 15, 2014) – Sometimes talking trash can be a good thing. In Camden County that responsibility falls to Adam Kabasakalian who, as Director of Administrative Services, is in charge of Curbside Collection for the unincorporated areas of Camden County.

Curbside collection in the unincorporated areas is contracted to Advanced Disposal, that same company that provides service to St. Marys and Woodbine. Collection begins at 6:00 a.m. and continues until everything on the route is collected. Items are collected five days a week, Monday through Friday.

County residents pay \$43.50 quarterly and receive trash pickup and recycled items collection once a week. Residents can also leave out large or bulky items and they will also be collected. Kabasakalian said the reasoning is simple.

"We want to do everything we can to discourage illegal dumping. It is unsightly and unsafe so we encourage residents to take advantage of the services offered. We see it all, mattresses, couches and pretty much everything else. But we would rather see it picked up than dumped."

The one thing that will not be collected is leaves. They can be taken to the county's yard waste facility on Old Still Road.
