

Inspiring Change...  
For A Healthier Community

## Learn How You Can Benefit from Our Expanded Services

Far more than a “walk-in Urgent Care Clinic”, We are the **Main Point** you will use for all your healthcare needs.

We’ve expanded our services, extended our hours, and added an on-site dispensary to better serve your healthcare needs.

All as a excellent part of your Employee Benefits Package.

- Chronic Disease Management
- Acute care for Ages 2 and Up
